Mokena Lions Planning Sale of House Numbers

The Lions of Mokena took on the chore of putting up the new street signs and now in process of providing house numbers which will be consistent with the new street signs.

On the basis of the Village Trustees' decision to adopt uniform house numbering to conform with Chicago street designations, houses will have five numerals.

The Lions Club will have members call on Mokena residents this Saturday, June 2, with samples of proposed house

numbers for sale. These numerals are to be attached to redwood boards to insure long life. The number arrangement most highly recommended, is the one for placement in the lawn on a steel rod with numerals attached to a redwood board. Five numerals on one side will cost \$3, and numerals on both sides will be \$4. The redwood background for house number to be attached to the house, will be cost \$2 and the five numerals alone will cost \$1.

Mokena Park Recreation Program to Open June 11

The annual recreation program at Mokena Community park sponsored by the park district will begin June 11 with Miss Sharon Cappel in charge.

Miss Cappel, a physical education student at the University of Illinois was in charge of the recreation program here last year. She is the daughter of Mr. and Mrs. Wesley Cappel.

All children in the district between the ages of six and 14 are invited to join in the games, stunts and sports that are planned for the summer.

June 11 and 12 are the days set aside for children to register for the program. Hours for registration will be from 9 to noon.

There will be activity at the

Need More Cash For Student Exchange Fund

The "Share in the Fare" drive to bring another foreign student to Lincoln-Way high school and to send a Lincoln-Way student abroad for the summer is nearing the climax with more funds needed.

The local AFS chapter reported that \$987.23 has been received to date in the drive. It is hoped by the committee that the goal, \$1,300.00, will be reached by the start of summer vacation at Lincoln-Way.

Fred H. Brooks Dies; Funeral at New Lenox

Funeral services were held for Fred H. Brooks, 65, on Monday from the Baskerville chapel in New Lenox to St. Jude's church with burial in Resurrection cemetery.

Mr. Brooks was a former resident of New Lenox. In 1950 he and his wife, the former Katharine Kean, moved to Mountain Home, Ark. where they operated a motel until 1960 when Mrs. Brooks died. Mr.

N. Lenox Resident Dies

Mrs. Beatrice Mann, 81 years old, late of 832 S. Prairie road, New Lenox, died Saturday, May 26, at Silver Cross hospital, Joliet, following a long illness.

A native of England, Mrs. Mann came to the United States in 1907. She and her husband, the late George E. Mann, lived in Chicago until he retired in 1940. They moved then to New Lenox.

Mrs. Mann was a member of Grace Episcopal church and the New Lenox Home Arts club.

She is survived by three daughters, Mrs. Algot N. Peterson, New Lenox; Mrs. Arnold Banks and Mrs. Michael Flannigan, both of Chicago; one son,

Selma Nelson of Frankfort Succumbs at 76

Mrs. Selma Beckstein, Nelson, 76, of 49 White st., of Frankfort, died Tuesday, May 22 at the Dixmore nursing home, Chicago Heights, following a long illness.

Funeral services were conducted last Friday from the Hirsch chapel at Chicago Heights with the Rev. Erich Bizer officiating. Burial was in Pleasant Hill cemetery in Frankfort.

Mrs. Nelson was born in Frankfort Nov. 29, 1885, and lived in the area her entire life. Besides her husband, Elmer, Mrs. Nelson is survived by one sister, Berntha Stege and one brother, Arthur Bechstein.

Brooks then retired.

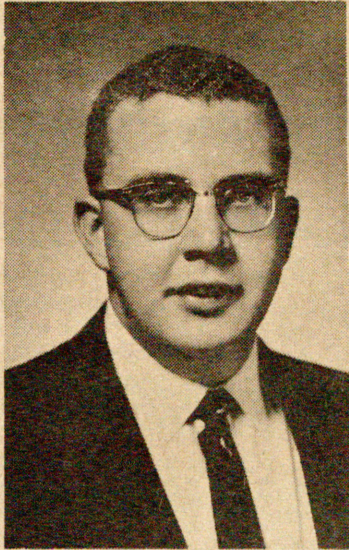

He died last Thursday, May 24, at Mountain Home.

Mr. Brooks was born in Detroit. He was a navy medical corpsman in World War I and was employed in the Chicago postoffice 25 years and by the Spiegel Co. there for eight before going to Arkansas.

He is survived by a son, James, of New Lenox, and two grandsons, Rickey and Bryan.

Walter C., of New Lenox; three brothers, Alex and William Smith, of England, and Sidney J. Smith of Canada; nine grandchildren and eight great grandchildren. Besides her husband, a daughter, Florence, Mrs. Earl Sands, also preceded her in death.

Removal was to the Baskerville chapel, Lincoln highway and Roberts street, New Lenox, from where services were held Tuesday morning at 10:30 o'clock to Grace Episcopal church at 11, with the Rev. Richard A. Crist officiating. Interment was in Cedar Park cemetery, Chicago.

A MOKENA YOUTH is included among 197 Illinois young men and women who are candidates for degrees at the 1962 commencement exercises of Marquette university in Milwaukee, on June 3.

He is Robert E. Mansfield, 141 Revere rd., who is a senior in the Marquette college of Engineering and a candidate for the degree of bachelor of electrical engineering. He participated in the Varsity Varieties at Marquette and played football before the sport was dropped by the Milwaukee school.

Rural Schools Will Graduate 60 on Friday

Sixty pupils who have completed their eighth grade studies in rural schools in the area will receive their diplomas Friday night, June 1, in commencement exercises at Lincoln-Way high school.

John H. French, assistant superintendent of Joliet high school, will be the speaker and the diplomas will be presented by County School Superintendent Verne E. Cracker.

The exercises are scheduled for 8 o'clock in the high school auditorium. The Rev. Francis J. Rausch, pastor of St. Joseph church, Manhattan, will give the invocation. The graduates and their families will be welcomed by Boyd R. Bucher, assistant county superintendent.

The freshman ensemble chorus from Lincoln-Way, under Miss Pat Hartnell, student director, will sing several songs. Schools participating in the joint commencement program are, Summit Hill, Ann Rutledge, Weitendorf, Schmuhi, Reiter, Marley, Union (on Cherry Hill road) and Richaltn, which is off the Plainfield road, northwest of Joliet.

St. John Choirs to Hold Annual Festival Sunday

The third annual music festival by the choir of St. John's church, Mokena, is to be held Sunday evening, June 3, beginning at 7:30 o'clock.

The Cherub choir -- children 8, 9 and 10 years old; the Junior Boys and Junior Girls choirs (11, 12 and 13 years old); a teenage singing group and adult choir will each have a program of its own and then sing as a group. There are approximately 70 voices in the combined choirs.

RUMMAGE SALE

St. John's church will continue its rummage sale this Friday and Saturday, it was announced by those in charge. The sale is being conducted in the building formerly occupied by the Liston Sweet Shop on Front street.

Can Get Absentee Ballots for Jr. Coll. Election

Persons who want to vote in the junior college district election but who will be out of the district on that date--June 16--during the hours the polls will be open can apply now for absentee ballots.

Application may be made by writing to the office of Noble J. Puffer, county superintendent of Cook county schools. The address is 69 W. Washington st., Chicago. Applications may be made now and ballots will be sent out when they are available.

When one applies for an absentee ballot he is sent a form that must be filled out and sworn to and then returned. The ballot will be forwarded in due time to arrive in the polling place of the voter so it can be counted.

Persons who are confined to their homes or are hospitalized because of illness or injury and thus unable to go to the polls in person may cast absentee ballots by filling out the proper forms which include a signed certificate or statement from the attending physician.

The election coming up in June is to decide whether to organize a junior college district made up of seven high school districts, six of which are in Cook county and one, Lincoln-Way in Will. For the proposition to pass it must receive a majority of the votes cast in the incorporated areas of the proposed district, and a majority of the votes cast in the unincorporated areas. Should the proposition fail in either area then it is defeated.

The proposal is to form a district to provide an institution that would provide high school graduates with opportunity to get two years of college while living at home.

Establishment of these junior college districts is provided for in a comparatively new law. Such a district is empowered to levy taxes, issue bonds and build and maintain a two-year college, including a vocational program. Proponents of the plan say that such an institution could be operated on a tax of

24 cents per \$100 assessed equalized valuation; opponents point out that might be the levy but on the other hand it could be 60 cents and be within the law.

The assessed valuation of the proposed district now is approximately \$700-million and in 10 years, survey teams claim, it would be approaching the \$2-billion mark.

One of the objections to the present set-up is that proponents of the college program are quoted as stating that a tuition fee of probably around \$120 a year would have to be paid by students residing in the district. Opponents contend that with a district as wealthy as the one proposed there should be no tuition charge.

Location of the college site has not been determined.

Considerable opposition to the program has developed in the Lincoln-Way district. Various reasons are assigned for this attitude but according to observers the people are not in favor of anything that will

raise their taxes. Lincoln-Way voters have rejected a \$750,000 building bond issue twice since February and some of the opponents claim the negative vote on the bonds is a protest against the proposed junior college program.

Because the ballots in the junior college election must be kept divided new polling places have been established in the Lincoln-Way district and the same thing is happening in the other districts.

In Lincoln-Way the vote from the unincorporated areas will be cast at the following polling places: Grade school in Arbury Hills and Ann Rutledge school at Lincoln Estates. These polls would serve the population of Frankfort township outside Mokena and Frankfort.

Lincoln-Way high school for the unincorporated sections of New Lenox and the Ray Walsh turkey farm, for the voters living outside the village of Manhattan. This farm is located

a quarter mile east on Manhattan on the Monee blacktop road.

Votes from the incorporated areas will be cast at the usual school election polling places--the grade school buildings of Manhattan and Frankfort; the Haven school in New Lenox and the Carpenter Street school at Mokena.

Voting hours will be from noon to 7 p.m.

So far there has been little discussion of the proposed junior college district in the area making up the Carl Sandburg district, but as the time for election draws near there appears to be more interest.

Opponents of the program from Lincoln-Way are seeking to stir up opposition in the other districts. There has been opposition voiced by some elements from Blue Island but whether it is widespread or so-called remains to be seen, observers say.

Ballet Parisien before the seniors enter. "Land of Hope and Glory" will be the music for the processional.

The invocation will be given by the Rev. Edwin Crause and then the Girls' chorus will sing "My Task" and "The Halls of Ivy."

J. J. Wrath will introduce the commencement speaker, Ray Monsalvatge of the University of Puerto Rico.

Bottino to be Speaker at Mokena Commencement

Thirty-nine pupils of Mokena grade school will be graduated Friday night, June 1, at ceremonies conducted in the Carpenter Street school.

The Rev. Theodore Wimmer, pastor of St. John's church, will give the invocation and benediction.

The speaker will be Louis F. Bottino, assistant superintendent of the Joliet grade school system and former state legislator.

"The Challenge of Change," will be the theme of his address. The program is to begin at 8 o'clock with the grade school concert band playing "Pomp and Circumstances" for the processional.

The school's mixed chorus, under the direction of Mrs. Jean Clark, vocal music instructor, will sing several selections.

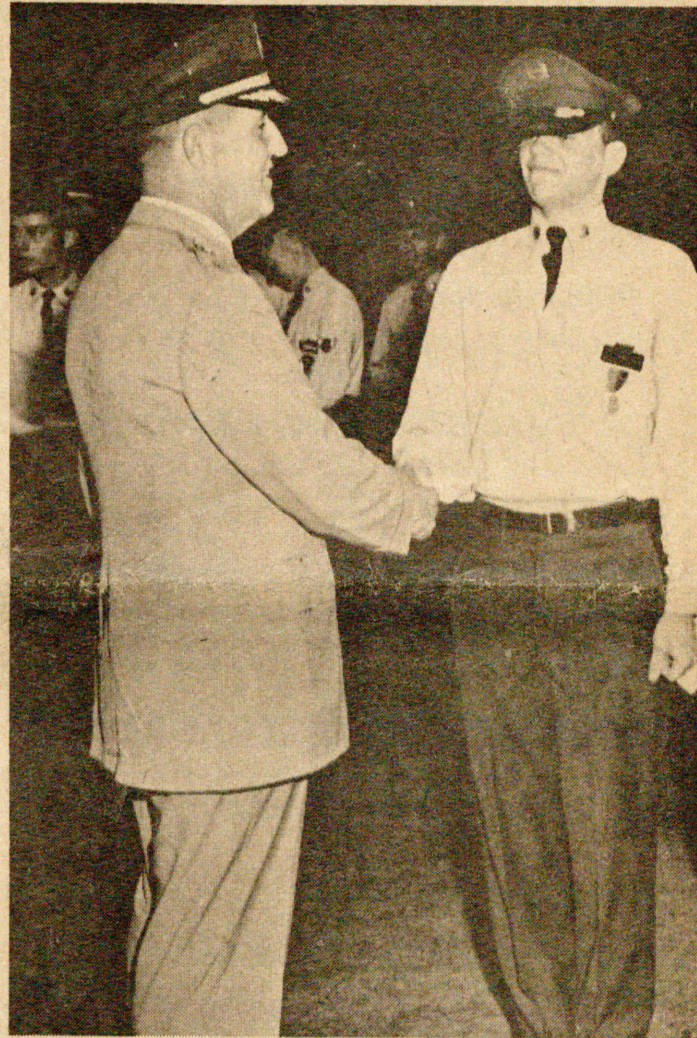

The graduates will be presented by Mrs. Elizabeth Cappel, superintendent, and the diplomas will be given out by Norval Robinson, president of the board of education.

The graduates made a field trip on Tuesday of this week to Springfield where they visited

The class will be presented by Supt. Chapman and the diplomas presented by A. H. Krusemark, president of the Lincoln-Way school board.

The Rev. Alfred Hunter will pronounce the benediction and for the recessional the band will again play "Land of Hope and Glory."

An informal reception for class members will be held in the lobby and all purpose room.

All School Picnic to be Held Sunday at Mokena

MRS. EDWARD HOVI
Mokena 5740

The all-school picnic, sponsored by the Summit Hill Parent Teacher Group, will be held at the Mokena Community Park on Sunday, June 3 at 12:30 p.m.

You may either bring sufficient food for your own group and set it out "family style" on a "pot luck" table provided, or you may eat with just your own group, or eat before you come; but please do come, the committee urges.

There will be games and prizes for all age groups, so oil up your running legs for the day.

Each school child, thru eighth grade, will be given two free refreshment tickets with which they may obtain either coke or ice cream. After the two tickets are used up, additional refreshments at the cost of five cents each for either cokes or ice cream.

The picnic will be held come rain or shine. There has been quite an amount of work entailed in the planning of such an activity. The best way to show appreciation for the effort is to attend the picnic.

The Arbury Hills Baby Sitters Cooperative will hold its meeting for the month of June at the home of Mrs. Thomas Tanis of 9419 West Elm ave. The date of the meeting has been set for June 13 at 8 p.m. If you plan on attending this meeting, please call Mrs. Tanis at Mokena 5194 before the day of the meeting.

The Arbury Hills Civic Association will hold its regular monthly meeting at the school on Tuesday evening, June 5, at 8 p.m.

The Holstein-Friesian Association has announced that a Holstein cow belonging to Roy Parker and Sons, has made a record for herself by producing 107,640 pounds of milk during her life time. The Parkers, very appropriately, live on "Crema Rd."

Mr. and Mrs. Leon J. Spangler, Rt. 7, are the parents of a son, born May 19 in St. Joseph's hospital.

Mrs. Robert Shepherd, Sr. entertained her Doll Club in her home Wednesday, May 23.

Miss Edna Cagwin, Oak Ave., Homer township, showed colored slides and commented on them, of pictures taken during her recent trip around the world, at a meeting of the Marley Missionary society, held May 16 at Marley Church. The slides depicted places, scenes and people from Portugal, Spain, Greece, Turkey, Egypt, India, China, the Philippines, Japan and Hawaii. Miss Cagwin is a Fairmont teacher.

The Homer Consolidated school held their picnic at Messenger Woodlands, Sunday p.m. May 27. Graduation exercises will be Friday, June 1, and school will officially close Monday, June 4.

8 o'clock. The Bingo club will hold its next session at the home of Mrs. Marvin Rognlie of 9534 West Hickory Street on Thursday evening, June 7 at 8:00.

Nancy Dickerson, daughter of Mr. and Mrs. Robert Dickerson, celebrated her sixth birthday with a party of her kindergarten girl friends.

The upper four grades of the Summit Hill grade school spent a day at the museum of science and industry in Chicago. The trip was made by chartered bus.

The board of education of Summit Hill school, Dist. #161 met in regular session Monday night, May 21, 1962, facing a heavy agenda. M. B. Rognlie, president, reported that the board has been working to determine the need for and getting information about increasing the facilities of the school and they are now attempting to obtain the services of an architect. Mr. Rognlie also reported that the board had met in session for the purpose of interviewing candidates for the job of superintendent, however, no selection has yet been made. High points of the meeting were the election of a school treasurer and the acceptance and signing of teacher's contracts. Hyman F. Kronick was elected to serve as school treasurer effective July 1, 1962. Charles Reilis, principal of the school, reported that six of the eight present teachers will return for the 1962-63 school year — they are: Miss Donna M. Miller, second grade; Mrs. Sue Gibbs, third grade; Mrs. Agnes C. Fearey, fourth grade; Mrs. Lora M. Gilbert, fifth grade; Mrs. Maria K. O'Toole, sixth grade and Richard A. McCarthy, seventh grade.

NOTICE OF SPECIAL SCHOOL ELECTION

Notice is hereby given that on the 16th day of June, 1962, an election will be held in the territory hereinafter described, lying and being partly in Cook County and partly in Will County, in the State of Illinois for the purpose of voting for or against the proposition to establish a junior college school district with authority to levy taxes at the rate of .5 percent for educational purposes and .1 percent for building purposes and the purchase of school grounds, in the following described territory:

Township 36 North, and Township 37 North, (except that part thereof lying Northerly and Westerly of the Des Plaines River), also that part of Township 38 North, Range 12, lying Southerly and Easterly of the following described line: Commencing at the South East Corner of the South West Quarter of Section 32, thence North to the North East Corner of the South West Quarter of Section 32, thence East along the Center Line of Section 32 to the Center Line of the Des Plaines River, thence North East by following the center line of the Des Plaines River to its point of intersection with the South Line of Section 1, thence East along the South Line of Section 1, to the East Line of Township 38 North, Range 12;

ALSO, Sections 2, 3, 5, 6 and 18, and the North East Quarter and the West Half of Section 1, and Section 4 (except the South Half of the South East Quarter of the South West Quarter) and the North Half of Section 19 in Township 36 North, Range 13, also Township 37 North, Range 13, except that part lying in the City of Chicago, also that part of Township 38 North, Range 13, lying South of the Illinois and Michigan Canal, except that part lying in the City of Chicago;

ALSO, Township 37 North, Range 14, (except that part lying in the City of Chicago and except that part lying South of the Little Calumet River and East of the North-South Center Line of Section 32), all being East of the Third Principal Meridian in Cook County, Illinois;

ALSO, Sections 1 to 24, inclusive, and the North East Quarter of Section 29, Township 34 North, Range 11, and Township 35 North, Range 11, (except Sections 6, 7, 18, 19, 30 and 31), and Township 35 North, Range 12, all being East of the Third Principal Meridian in Will County, Illinois.

This election is called and will be held pursuant to a petition presented to and filed with the County Superintendent of Cook County having the greater number of people included in the territory described in the petition, the report of the State Superintendent of Public Instruction, and the order of the Superintendent of Schools of said Cook County.

The polls will be opened at 12:00 o'clock noon and closed at 7:00 o'clock P.M., Central Daylight Saving Time, of the same day.

By order of Noble J. Puffer, Superintendent of Schools of Cook County, Illinois, this 22nd day of May, 1962.

NOBLE J. PUFFER
Superintendent of Schools of Cook County, Illinois

parts of districts in the territory which maintain grades 9 to 12 inclusive; that said petition requests the calling of an election in accordance with Section 13-25 of the SCHOOL CODE OF ILLINOIS for the purpose of voting for or against the establishment of a junior college school district in the following described territory, to wit:

Township 36 North, and Township 37 North, (except that part thereof lying Northerly and Westerly of the Des Plaines River), also that part of Township 38 North, Range 12, lying Southerly and Easterly of the following described line: Commencing at the South East Corner of the South West Quarter of Section 32, thence North to the North East corner of the South West Quarter of Section 32, thence East along the Center Line of Section 32 to the Center Line of the Des Plaines River, thence North East by following the Center Line of the Des Plaines River to its point of intersection with the South Line of Section 1, thence East along the South Line of Section 1, to the East Line of Township 38 North, Range 12;

ALSO, Sections 2, 3, 5, 6, and 18, and the North East Quarter and the West Half of Section 1, and Section 4 (except the South Half of the South East Quarter of the South West Quarter) and the North Half of Section 19 in Township 36 North, Range 13, also Township 37 North, Range 13, except that part lying in the City of Chicago, also that part of Township 38 North, Range 13, lying South of the Illinois and Michigan Canal, except that part lying in the City of Chicago;

ALSO, Township 37 North, Range 14, (except that part lying in the City of Chicago and except that part lying South of the Little Calumet River and East of the North-South Center Line of Section 32), all being East of the Third Principal Meridian in Will County, Illinois;

That said petition has set forth the maximum tax rates for educational or building purposes which the proposed district shall be authorized to levy, which rates are fixed in such petition at .5 per cent upon full, fair cash value, as equalized or assessed by the Department of Revenue, for educational purposes and .1 per cent for building purposes and the purchase of school grounds;

In compliance with the requirements set forth in Section 13-26 of the SCHOOL CODE OF ILLINOIS, I have, in cooperation with you as County Superintendent of Schools of Cook County, Illinois, which county has the greater number of people included in said territory, studied the territory of the proposed district and the area within and adjacent to the same. In addition, I have examined the proposal in order to determine whether the proposed district will be able to provide a recognized school program for the junior college school district under conditions set forth in Section 13-33 of the SCHOOL CODE OF ILLINOIS.

We have examined copies of a community college study, a survey of the conditions in the Southwest Chicago Suburban area school districts now operating in said territory, prepared jointly by the Citizens' Survey Committee and the Inter-University Bureau and published in May, 1961. It is my opinion that the need for a junior college exists in the territory described, and that

the same may be established and maintained at reasonable cost, meeting the probable enrollment and curriculum needs.

I consider it possible for the proposed junior college district to operate a recognized junior college program under the conditions found to exist in my study. These conditions are as follows:

an enrollment of approximately 2000 students in 1963, increasing to more than 3500 in 1972;

maintenance of an equalized assessed valuation of 650,-000,000, increasing according to projected estimates, to approximately \$2,000,000,-000 by 1972; tax rates not to exceed .5 per cent upon full, fair cash value for educational purposes and .1 per cent for building purposes;

a continuation of the present or higher level of state aid support for junior college operations and statutory permission to charge tuition rates not to exceed 33-1/3 per cent of per capita costs.

In terms of local taxes, the maximum tax rates proposed when applied to present equalized assessed valuation will produce \$3,250,000 per year for educational purposes and \$625,-000 per year for building purposes and the purchase of school ground. This will, with an enrollment of 2000 students, provide a per capita expenditure for educational purposes of \$1625.00, which is more than adequate at the level of present costs.

The alternative methods of providing a desirable two-year junior college program for the area are:

1) to rely on existing educational institutions now serving the area, all of whose existing facilities are crowded or approaching maximum enrollment for present junior college facilities; and

2) to create junior colleges as additions to existing high school districts in the area.

The first of these alternatives will not improve present conditions which do not furnish adequate junior college opportunity for the post-high school students of the area, and the second alternative, because of duplication, leads to an increased cost and restricts to a point of inadequacy of the junior college program provided.

It is my opinion that the proposed junior college school district would enable the board of education to provide a better educational program for all of the children of the area, than the present districts, and that legal growth in geographic area is possible, so as to provide in the future a better than minimum junior college program.

From the facts submitted to this office, it is my opinion that the territory involved in compact and contiguous and that the petition and the findings of the County Superintendent of Schools, after a hearing thereon, give legal authority for submitting the question of the organization of a junior college school district to the voters of said territory.

You are hereby authorized to publish this report in a newspaper of general circulation in the above territory and to call an election according to law for the purpose of voting "For" or "Against" the proposition to establish a junior college school district in the territory above described.

All of which is respectfully submitted.

N.Lenox Girl Wins Literary Scholarship

Nancy Beedle, junior at Lincoln-Way high school, has been awarded a \$125 scholarship for summer work at Illinois State Normal university in a summer seminar on literature.

Over three hundred superior students in the state were considered. Theodore Sands, coordinator, programs for the gifted at ISNU, wrote, "You can take satisfaction from knowing that you are among twenty-four students who have been selected for participation in these seminars."

The scholarship which Nancy received was made available by the Illinois Congress of Parents and Teachers.

Nancy lives at 1238 North Elm Drive in New Lenox.

Orland Grade School Winner of Track Meet

Orland Park won the grade-school track meet conducted at Carl Sandburg high school on Wednesday of last week, May 23.

The Orlander piled up 78 points. Palos was second with 61 points. The other schools competing and their points were Oakridge, 14; Kirby-McIntosh, 2 and Orland Center.

In track events Orland scored five firsts, three seconds, two third, two fourths and two fifth places.

FUND DRIVE A SUCCESS

The cancer crusade in Frankfort township this year netted \$576.78 according to the general chairman, Harold A. Smith. The figures represent donations from the entire township. Mr. Smith expresses his appreciation of the efforts by the various neighborhood chairman.

MR. AND MRS. KENNETH H. AGGEN

Mr. and Mrs. Kenneth H. Aggen were recently married at the Mount Greenwood Reformed church, 11th and Drake. The bride is the former Grayce Marlene Hoffman, the daughter of Mr. and Mrs. Homer Hoff-

ma of Orland Park. She is a 1961 graduate of Blue Island Community High School and her husband is a graduate of Carl Sandburg. After a honeymoon trip to Florida they are residing in Chicago.

N.Lenox Man Wins Rexall Store Contest

Jack Waterfield, Oakview Drive, New Lenox, a presser for Hutchins cleaners, was the winner of the contest staged at the Elliott Rexall pharmacy operated by Noel Elliott. The prize was a solar radio that has a value of some \$60.

It is a transistor set that operates on sunlight, heat from an electric light bulb, or -- if there is no sunshine nor lamp-light -- on battery.

The contest was staged by the Plenemin vitamin people in conjunction with the Rexall stores in the U.S. with a radio awarded at each store.

JCHS GRADUATE

A Mokena senior, Daniel Marshall, will receive his diploma at Joliet Catholic high school's graduation exercises at the Cathedral of St. Raymond Nonnatus on Sunday, June 3, at 7:30 p.m. The Rev. Niles Gillen O. Carm., principal, will award diplomas to some 200 graduates. The Rev. Alexis McCarthy, O. Carm., superior at Aylesford Monastery in Downers Grove, will deliver the graduation address.

Daniel Marshall is the son of Mr. and Mrs. Arthur Marshall of 11508 W. 194th St.

ON DEANS LIST

Gerald A. Eisenbrandt has been named to the Dean's List at Illinois Institute of Technology, Chicago. The Dean's List is composed of all students who have distinguished themselves academically during the past semester. Eisenbrandt, son of Mr. and Mrs. A. P. Eisenbrandt, U.S. Route 45, Frankfort, is a sophomore in the electrical engineering department. He is a graduate of Lincoln-Way community high school, and is active in the IIT band and Phi Eta Sigma, a freshman scholastic honorary.

There are three traffic problems -- urban, suburban and bourbon.

Arrange for Special Class to Serve Area

A special education class for educably mentally handicapped children will be open at the Manhattan grade school this September. This class is a co-operative undertaking by the elementary schools in the Lin-

coln-Way area. Kenneth Johnson, superintendent of the Manhattan grade school; Mrs. Elizabeth Cappel, superintendent; Principal of Mokena grade school; John Oster, superintendent of New Lenox grade school; Leroy Wright, of Frankfort grade school superintendent have worked to organize and establish this class.

A qualified teacher has been obtained and the screening of students is in the process. After the screening is completed psychological examinations will be administered by a state psychologist.

This is to be the first special education class outside of the Joliet - Lockport metropolitan area.

The wonderful things Gas will do

- Kills germs!** Only the new Preway gas dishwasher gives you water so hot! That's because the new Preway has a self-contained gas heater that automatically heats water extra hot to scour dishes cleaner... and only Preway superheats rinse water to a bacteria-killing 180°! Important new health protection for your family.
- Easier outdoor cooking!** The new gas-fired portable grill starts instantly, cooks without soot or oily smoke... leaves no messy ash. Reusable charcoal-like ceramic coals spread heat evenly to give you the fun and flavor of outdoor cooking with "kitchen" control.
- Friendly protection.** The modern, attractive gas yard-light provides a welcoming glow for family and friends... illumination for patio parties... beams protective light all through the night.
- Won't fail when power does.** The new 1962 Norge Gas Refrigerator keeps running even when power failures stop ordinary refrigerators and spoil food. Loaded with work-saving features; freezer and refrigerator never need defrosting. 10-year warranty on the freezing system.

Now's the time to visit your Northern Illinois Gas Company store and see how easy it is to own and operate these modern gas conveniences.

The Upper Room

If there be first a willing mind, it is accepted according to that a man hath, and not according to that he hath not. (1 Corinthians 13:2.)

One Sunday as we were leaving the church after the morning service, a friend said to

me, "The solo this morning was beautiful. That girl certainly has something worthwhile to offer in the Master's service." I agreed with her that musical talent is a great gift. However, I believe that everyone has something worthwhile to offer. Each of us has a mission to fulfill for the Master.

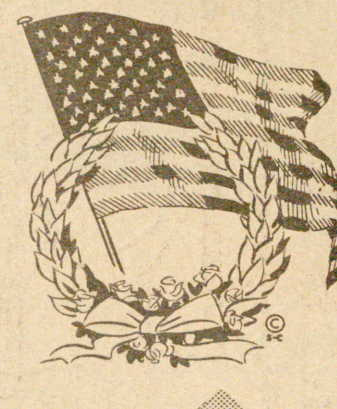

We do not have the same talents, and God does not expect more of us than we are capable of doing. He does, however, ex-

pect us to put to good use the talents he has given us. Ability not used is like the talent that was hid in the earth. If we have a willing mind, God will show us the work He wants us to do and bless the efforts we make.

By ourselves we can do little. Working in partnership with God, great things are accomplished.

PRAYER: Our Father, we thank Thee for opportunities for Christian service. May we never become discouraged with the humble tasks we are called upon to do.

Memorial Day We May Forget... But "Gold Star Hearts," Are Heavy Yet

Remember the Gold Star Mothers? The Gold Star Banner in the window, representing the supreme sacrifice? The drums have ceased to roll, the bugle call has died away among the echoes... but they have not died in vain. Let us forget... Today many families can have Whole-House Electric Air Conditioning for less than half the cost of a compact car

Here's how it can make your home a haven from heat, dust, pollens and humidity

Most folks are pleasantly surprised when they find out what it costs today to have Whole-House Electric Air Conditioning.

Just since 1947 the average unit cost for electric systems has decreased by about one-third. This means that if you have a typical 6-room home, it can be a haven from heat, dust, pollens, noise and humidity for less than half the cost of a compact car (even less if you're building a new home).

YOU GET A LOT MORE THAN COOL

Whole-House Electric Air Conditioning is sleeping in comfort, cooking in comfort, eating in comfort, and relaxing afterwards in comfort. It's living in comfort—all through the house, all summer long.

Cooling is only part of the story. Whole-House Electric Air Conditioning wrings excess moisture out of the air. It filters dust out of the air so that housework is easier, and you need to redecorate less often. It keeps bugs out because you can leave your windows shut. And allergy sufferers suffer less because it picks up to 98% of the pollens out of the air. It helps husbands because they don't have to change storm windows.

Whole-House Electric Air Conditioning soothes tempers, saves wives, makes for happier, healthier kids and families.

It's a little like taking your house to the beach for the summer. Only no sand.

WHY ELECTRIC AIR CONDITIONING?

Air conditioning your whole house electrically has many advantages in addition to lower first cost.

Whole-House Electric Air Conditioning needs less maintenance. It takes less room. No water is needed, and this is important not only because water costs money but because in some communities water-cooled units are not usually permitted without an expensive water-saving device.

Electric systems are far more versatile, too. They include models that work well with every type of heating system. And if you have forced air heat, you may already have most of the ductwork you need for Whole-House Electric Air Conditioning. This can represent a sizeable saving on installation cost.

WHAT WILL IT COST TO OPERATE?

With your new reduced electric rates for this period, you can have Whole-House Electric Air Conditioning in a typical 6-room house in this area for as little as 30 cents a day. And you can count on about 90 days out of the year when you'll want it on. Quite naturally costs will vary some-

what according to the construction and location of your home. If you live on a shady street and have ample insulation, your cost will be less than if you live in open country.

In any event, you'll find you spend a good bit less for cleaning rugs, draperies, curtains, clothes, and for painting and decorating when you have Whole-House Electric Air Conditioning.

No one can give you more than a rough guess about either installation or operating costs without a careful look at your home. But you can have an accurate estimate made, without cost or obligation, by calling your Air-Conditioning Contractor, Dealer or Department Store.

HOW WHOLE-HOUSE ELECTRIC AIR CONDITIONING WORKS

Though it might seem complicated, Whole-House Electric Air Conditioning isn't difficult to understand in operation.

Air is drawn into the cooling system and pulled through a filter to remove dust, pollens and insects. This cleaned air then

passes over a cooling coil which removes heat and excess moisture. The condensed moisture is drained away. The clean, cool, dehumidified air is circulated through your home.

HOW TO MAKE FINANCING ALMOST PAINLESS

If you are building a new home, you can include Whole-House Electric Air Conditioning as part of your regular FHA or conventional mortgage.

If you wish to air condition your present home, there are several ways to finance. Add the cost to an open-end mortgage if you have one. Get an FHA Title I Home Improvement Loan. Or get a short-term loan from your bank or other lending institution. Many dealers in this area also handle financing right along with the sale.

Spread over the years, Whole-House Electric Air Conditioning is a mighty low-cost way to have a permanent vacation from heat, dust, pollens and humidity. And you can't help but improve the resale value of your home with this addition.

LIKE A PICTURE--The view from the living room is like an ever-changing picture, providing constant pleasure, no matter what the season, complete with all sorts of colors and shades.

Little House With Lots Of Living In It

An acre and a third planted with a wide variety of trees, evergreens, flowers and fauna of many varieties is the setting in which Mr. and Mrs. Sylvester Tyler of Frankfort have established their home.

The Tyler live right on Rt. 30, yet they have so effectively screen-

ed the highway with shrubs and trees that the home is thoroughly insulated from the noise and dust of traffic.

It has taken ten years to convert this old orchard and blackberry patch into a landscaped homesite and it meant many hours of work for both Tylers.

Mr. Tyler is a mason and contractor and built the house himself. When Mrs. Tyler was recovering from an operation in the hospital he brought her a Good Housekeeping magazine and she saw the plan for the home in it. They began building soon afterward (1951). They have lived in the area for 30 years and have five grown children, who come to visit often. The four bedrooms are a valuable asset for them when some of the 13 grandchildren come.

The center of living in the Tyler home is the informally furnished living room which has a large picture window which looks out into the back yard. The yard provides a

constantly changing view sprinkled with dozens of varieties of birds all year around. There are 12 bird houses and five places where they can get water and bathe.

Mrs. Tyler, in charge of the flower and tree growing, has a number of beds under cultivation. In front there is a patio plot; tuberous begonias grown on the north side, peonies on the east, creeping vines give protection on the northwest corner; a rose garden and a bed of perennials on the south complete the house gardens.

Besides some 20 varieties of trees planted in the back yard, there is a small vegetable garden,

a bed of 180 small evergreens and tarterry and honeysuckle bushes for the west border.

A special water pump is installed and there are four yard outlets for hoses. This plan allows plenty of water in the dry spells and guarantees that the Tyler yard will be cool all summer long. In the winter the foliage and trees provides a snugness and warmth that holds even in the strongest blizzard.

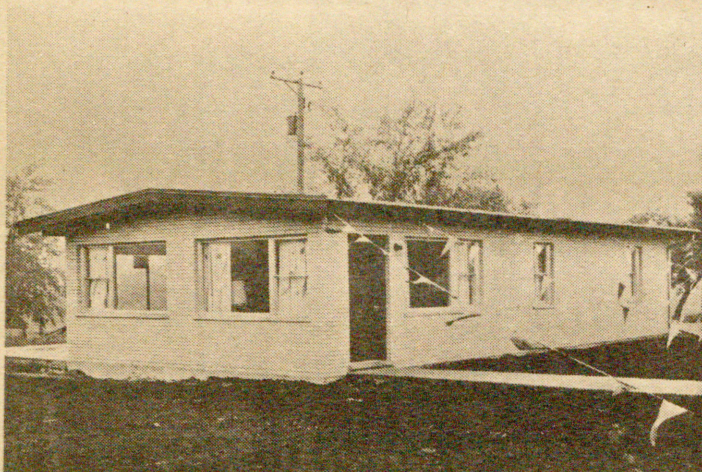

As Mrs. Tyler says...It's a little house with lots of living in it. And it owes most of the comfort to the fact that these folks have been able to thoroughly utilize the outdoors in the design of their home site.

Recently the Hampton Park Garden Club celebrated its second anniversary.

The aim of the club is to make Hampton Park a better and more beautiful place for people to live, and a place where children will be proud to say, "We're from Hampton Park".

The first step toward beautification of the Park, was a planting of a flowering peach tree on the grounds of the Civic Center. Eventually a row of flowering trees will be planted and the street will be called "Blossom Drive."

The two stationary planters flanking the main entrance to the Civic Center will be the club project this year.

The club is donating its services to the different clubs, and organizations of Hampton Park, in connection with flower arrangements, centerpieces, and corsages.

All usable clothing from the rummage sales will be a standing donation to Valley View School, for needy families in the Park.

Again this year the Garden Club will participate in the annual Romeoville Parade.

The club calendar for the year 1962-63 is:

June 5 -- guest speaker, A. A. Wicklein, Will County Farm Adviser, will speak on conservation, in the Hampton Park area. Also at this meeting there will be a flower arranging workshop.

July 3--Flower arranging workshop, and a summer garden walk

is planned.

Aug. 7 -- The meeting will be taken up with plans for the coming Romeoville Parade.

Sept. 4 -- There will be a bulb exchange, also their care and planting will be discussed.

Oct. 2 -- A workshop with dried arrangements.

Nov. 6 -- Ideas for Christmas.

Dec. 4 -- Annual Christmas Party.

Jan. -- House Plant Exchange.

Feb. -- Plans for the garden.

Nomination of officers.

March -- Cleaning the yard and garden for spring. Installation of officers.

Mrs. F. W. Hartman is serving her first term as president with Mrs. Donald Phend as 1st vice pres., Mrs. Ray Irlbacker, 2nd vice pres. and Mrs. Joseph Mullen, treasurer.

Mrs. Donald Harast is recording secretary, (2nd term) and publicity chairman; Mrs. Melvin Cerny is corresponding secretary; Mrs. Anthony Holt is horticulture chairman and Mrs. Harvey Pollack is club librarian.

SERIOUS GARDENERS—These ladies, officers of the Lemont Garden Club take their gardening work seriously and can be found digging, planting and pruning all summer long. Here (from left) are Mrs. Arthur W. Wunsch, president, Mrs. Dennis Donahue, vice pres. and Mrs. Daniel Carlson, past president. Golden Triangle Photo

Lemont Garden Club Has Strong Community Spirit

In 1949, when Mrs. James Rollo came to make her home in Lemont she recognized the need for a Community Garden Club and in November of that year was successful in organizing the Lemont Garden Club. The first meeting was held on the 15th of that month. Mrs. Rollo became the charter president. Mrs. John Novak was the vice-president, Mrs. F. D. Delaney, secretary and Mrs. John Kaser, treasurer. There were 17 charter members.

As their first civic project the Club set up a Christmas tree at Legion Park to be used as a feeding station for the birds. Members were assigned different weeks to replenish the food throughout the winter.

Some of the civic projects undertaken by the Club include plantings along the G. M. O. right of way, maple tree planting at the Illinois St. entrance of the Village Hall, window boxes at the library and water works, a tree planting at the high school and Christmas decorations at the library, post office and the railroad station.

In June of 1956 the Club held their first little Flower Show at the home of Mrs. Joseph Mullen. A second show held at the Lemont Grade School in June of 1957 drew a large attendance from a most appreciative community. In September of 1958 a small show was held in the home of Mrs. Gilbert J. Helbig.

Through the efforts of the Club and their president of the last two years, Mrs. Daniel Carlson. The women of the Community were again afforded an artistic afternoon last Oct. 12 when a show entitled "Bonnets, Arts and Flowers" was presented at the Grade School Auditorium. Mrs. Ignatius Jelinski

was chairman of the event.

The present officers of the club are: Mrs. Arthur Wunsch, president; Mrs. William Jacobson, 1st vice-pres.; Mrs. Dennis Donahue, 2nd vice-pres.; Mrs. Albert Davis, recording secretary; Mrs. E. L. Lasser, corresponding secretary, and Mrs. Edward Ketke, treasurer.

The Club is a member of the Illinois Garden Club and the Will County Federation of Garden Clubs. In 1955 Mrs. Rollo held the presidency of the Will County group and in 1961 Mrs. Carlson served as secretary to the group.

In July of this year the Club will send a high school student, George Swoops to the State Conservation School in Springfield.

Plans for the 1962 program year are incomplete, but Mrs. William Jacobson, program chairman is planning an interesting and informative year with at least three outstanding speakers who will bring the newest ideas in flower arranging and gardening ideas to the members. Interesting tours are being planned for June and July.

Throughout the years the Club has had many fine speakers and the members feel they have gained a great deal of knowledge from their membership in the Club. Last year's tour of the member's gardens proved that they had benefited by ideas exchanged in the meetings.

Thinking Man Waters Trees And Shrubs

Thoughtful homeowners will give their trees and shrubs plenty of water this summer during dry weather. Trees and shrubs planted last spring especially need water, emphasizes W. R. Nelson, Jr., University of Illinois landscape specialist. He suggests soaking the soil at least one foot deep every 10 days.

Ingenious gardeners often use mulches to help conserve moisture. A 4- to 6-inch layer of ground corncobs keeps the soil mellow and in good condition to absorb moisture.

Mulches also help to control weeds that compete for moisture and nutrients. If, however, mulches do not prevent weeds, use a hoe to chop out the weeds. But do not chop too deeply. You

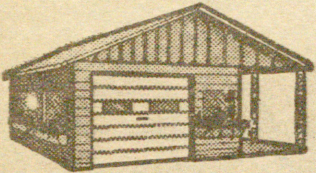

might injure the small, fibrous feeder roots of the trees and shrubs.

Insects and diseases will cause a lot of damage this summer. Red spider mites will especially damage evergreens. To control them, wash the evergreens down with a forceful jet of water once a week. Or use sprays of aramite, orthomite or ovatan.

Cheese manufacturers can now add sodium and calcium propionate to processed cheese packaged as wedges and slices. This wholesome salt helps to inhibit the development of mold.

PLAINFIELD GARDENERS -- Long considered one of the most active garden clubs in the area is the Plainfield Garden Club of which these ladies are members. Here is a busy committee meeting at the home of Mrs. Howard Phelps, president (seated left). Joining her in this club work are (standing from left) Mrs. George Agnich, Mrs. M. Horton, Mrs. Robert Morrison and (seated) Mrs. Edward Bush.

(Golden Triangle Photo)

Plainfield Gardeners Are Active

The Plainfield Garden Club was organized Oct. 26, 1939, by a group of 11 women in the garden department of the Plainfield Woman's Club. Three of the charter members continue to be regular attendants at the meetings.

The purposes of the club as set forth in the by-laws were to create an interest in better gardening and to sponsor projects for the betterment of the community. Persons interested in gardening and in learning improved methods of horticulture, landscaping and flower arrangement are eligible for mem-

bership. The club now has 42 members.

Much has been accomplished in the 23 years of the club's existence in the study of the many phases of horticulture, landscaping and flower arranging. The club has participated in numerous flower shows in the county and the members have received many awards for their efforts.

Many community projects have been sponsored by the club such as garden contests, victory gardens during the war, the planting of flowers and shrubbery around

the War Memorial Tablet and more recently in the presentation of a red cedar seedling tree to each child in the elementary grades in the Plainfield Schools. About 1200 seedlings were distributed on Arbor Day and the children are being encouraged to give their trees good care so they will be available to replace the many elms being cut down in the community.

The officers for 1962-63 are Mrs. Howard Phelps, president; Mrs. Kenneth Bronk, vice president; Mrs. Frank Parks Sr., secretary and Mrs. Ralph Snook, trea-

surer.

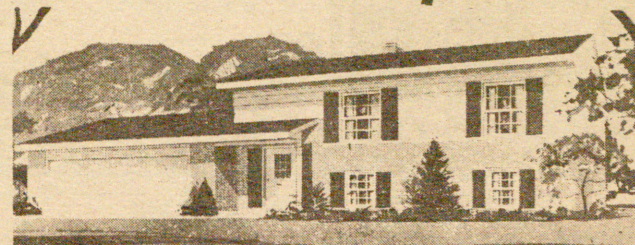

The program committee, consisting of Mrs. Orrin Smith, Mrs. George Eaton and Mrs. Hugh Kilpatrick, has arranged an interesting program for the year in which the members will have an opportunity to participate in a tour of Rosewyne Gardens in Western Springs. The club will hold workshops in flower arranging and table setting, see an interior decorating film, have a Christmas walk, practice candle making and have programs on conservation.

New Lenox Garden Club Has History Of Awards

The Garden Club of New Lenox was organized in 1940 by Mrs. O. V. Rowe and Mrs. Stanley Ekedahl. It is federated with the Garden Club of Illinois, and associated with the Federation of Will County Garden Clubs.

Former presidents have been Mrs. Stanley Ekedahl, Mrs. Lee Frey, Mrs. Fred Scheel, Mrs. Grace Scholl, Mrs. Sam Morgan,

Mrs. O. V. Rowe, Mrs. Walter Houchin, Mrs. Walter Gobush, Mrs. Thorval Larsen, and Mrs. Robert Buckler. Mrs. Joseph Jencon is president for 1962-63 as well as 1961-62.

Mrs. Walter Houchin, a former president, is also a nationally accredited flower show judge.

In 1950, when Mrs. Morgan was president, the Club won a special award for the best flower show in the State of Illinois for that year. In 1960, the Club re-

ceived a Blue Ribbon for the Flower Show from both the National Council and the Garden Club of Illinois.

For the coming season, the officers serving with Mrs. Jencon are Mrs. George Morrison, vice-president and program chairman; Mrs. Kenneth Messenger, secretary and Mrs. Walter Wilkosz, treasurer.

The executive board members are - conservation, Mrs. Raymond Reiter; historian, Mrs. Thorval Larsen; hostess, Mrs. George Close; membership and flowers, Mrs. U. L. Henry; publicity, Mrs. E. M. Merfeld; plant, flower and fruit guild, Mrs. Royal Corp.

The plant, flower and fruit guild, since 1950, has collected approximately 20,000 bouquets of flowers, together with magazines and books, and delivered them to the Johnson Nursing Home, the Lincoln Nursing Home, the Smith Nursing Home, Sunny Hill Sanatorium and Home for the Aged, Lutheran Home for the Aged, and the Lutheran Children's Home. Each fall, members make jams and jellies to be sent to these homes. At Christmas time, the Guild is in charge of making wreaths and swags which are sent to the nursing homes, and also to public offices in New Lenox.

The Club has varied other projects, among them a donation for a planting to the Lincoln-Way High School, and to the Public Library; books on Horticulture and nature studies have also been placed in the library.

On April 28, 1962, the Garden Club served refreshments at the dedication of the new New Lenox Post office.

On May 19, this year, the Club had a booth at the Garden Show at Lincoln-Way High School sponsored by the four Lions clubs in the high school district.

The biggest event of the year for the Club is the Flower Show, which this year is scheduled for Sept. 12 and 13. The show is open to all amateur flower growers and is to be held at the New Lenox Lions Den. The theme of this year's show will be "Days of Yore".

Other members of the Club are: Mrs. John Baskerville, Mrs. John Bell, Mrs. Robert Buckler, Mrs. Lawrence Carlson, Mrs. Carson Elwood, Mrs. Roy Fitzer, Mrs. Lee Frey, Mrs. John Gill, Mrs. Maximillian Greenly, Mrs. James Hope, Mrs. William Long, Mrs. Ben Martin, Mrs. A. D. Miller, Mrs. Leo Murskj, Mrs. Robert Regan, Mrs. Fred Scheel, Mrs. Nick Skiniotes, Mrs. Frank Valy, Mrs. Walter Wildosz, Mrs. Dieter Hoffman, Mrs. Norman Grund, Mrs. Betty Cleveland, and Mrs. Grace Sweet.

Honorary members are Mrs. O. V. Rowe, Mrs. Stanley Ekedahl,

Green Thumb Gardeners Pick Officers

The annual luncheon meeting of the Green Thumb Garden Club was held Tuesday, May 15, with the retiring officers as hostesses. Luncheon was served on the grounds of the F.D. Davis residence on Route 4A.

Each member wore a hat fashioned of vegetables and flowers from her garden and a prize was

and Mrs. John Jennings.

The club meets the first Thursday of each month; dessert-coffee is served by the hostesses before the program.

The goal of the Club is - conservation - to conserve what is good; horticulture - to grow what is good; artistic arrangements - to display what is good; and to cultivate the spirit of good gardening in its broadest sense.

awarded the winner. Mrs. A. P. Dailey won the prize for her unique creation.

After the luncheon, a business meeting was held and the officers for the new club year were installed. They are: Mrs. William F. Litherland, president; Mrs. Otto Noble, vice-president; Mrs. Frank Wilking, secretary; and Mrs. D.K. Beavon, treasurer. Retiring officers were: Mrs. Herman Ramberg, president; Mrs. Fred Davis, vice-president; Mrs. Donald Morton, secretary; and Mrs. Otto Noble treasurer.

Mrs. Allan Frost, daughter of Mrs. Davis was a guest.

Roses Like - Lots Of Water

Roses do best in full sunlight and a liberal supply of moisture. Good soil drainage is important too, says F. F. Weinard, University of Illinois floriculturist.

A mulch of peat moss, ground corn cobs or similar material helps conserve moisture around rose bushes.

Tinley Park Garden Club Formed 35 Years Ago

The Tinley Park Garden club was formed almost 35 years ago, on Aug. 24, 1927, in a gift shop operated by the late Mrs. Wallace B. Combs, according to the history of the club written last year by one of the charter members, Mrs. Rudolph (Clara) Hug.

The late Mrs. William Funk was the first president; Mrs. Combs, vice-president; and Mrs. Irma Schounsberg, secretary - treasurer. The club which meets on the third Thursday of the month held their first flower show, on Sept. 17, 1927, at the Community Hall, located across from Central

school.

Since that time, 14 flower shows have been held with the most recent last year on Sept. 9 and 10 at the new Tinley Park High school and entitled "A Day to Remember". It was one of the first events held in the new school.

The present officers of the club are Mrs. John Panozzo, president; Mrs. Henry Duff, vice-president; Mrs. Gervis Klepper, secretary; and Mrs. Frank Jeffords, treasurer.

The Flossmoor Garden Club invited the Tinley Park club to enter a table setting at their show held

last June. Their entry, entitled "His Last Night with the Boys" was a bachelors informal buffet table and it won a blue ribbon.

During recent years the club has been a co-sponsor with the Chamber of Commerce of the outdoor Christmas decoration contest in Tinley Park. They also conduct a plant sale which will be held this year on May 24 and 25. Bird seed is also purchased and distributed among members and others interested in feeding birds during the winter months.

Large numbers of magazines have been collected and distributed to Oak Forest Hospital for a number of years by Mrs. John Swisher as a club project; also

bouquets of flowers in season. The women make gifts for children in Chicago hospitals and for women in the Oak Forest Hospital.

Creekside Garden Club Has Busy Community Program

The members of the Creekside Garden Club have actively pursued the objects and purposes of the club for five busy years. The organization's first meeting was held in March of 1957.

Each year the club maintains and provides the necessary new plants for the gardens at the entrances to both Spring Creek Woods and Creekwood Subdivisions. This work is done by the civics projects committee. Co-chairmen for this year are Mrs. Robert LaTour of Spring Creek Woods and Mrs. Daniel Carlson of Creekwood.

The club has set aside a substantial portion of the profits from its bazaar of last fall to be used for landscaping the Northwest Homer Fire Department grounds. Mrs. Earl Spencer had charge of the bazaar at which pine cone wreaths, holiday decorations, flower arrangement materials, shellcraft, needlework and houseplants were sold. The club plans to have another bazaar this year. Mrs. John Hogan will have charge of the fall event.

Other civic projects include Christmas gifts to St. Joseph's Home for the Aged in Lemont and table decorations for the Spring Creek Woods-Creekwood Community Club meetings.

The Creekside Garden Club and the Lockport Flower show, "Springtime on Broadway", jointly in June of 1960. Mrs. Joseph Mullen and Mrs. Alden Schulz were co-chairmen of the show. Application was made for the show to be judged on a national level. Both the sponsoring clubs received the coveted "Blue and White Flower Show Award" of the National Council of State Garden Clubs, Inc., which was presented at the annual meeting of the Garden Club of Illinois in April, 1961. The Creek-

side Club also received the "Blue Ribbon Award" of the Garden Club of Illinois for outstanding club participation in 1960.

In June, 1961, the club again worked with the Lockport Flower Growers to be co-hostess clubs to the annual spring luncheon and flower show of the Will County Federation of Garden Clubs.

Each year programs on horticulture, flower arranging, landscaping and conservation are included in the club's program. Speakers have been Harold Woldt, Joliet landscaper; George Kay, Bonsai expert from the Hill Nurseries in Dundee and Mrs. Dorothy Canavine of the Manhattan Garden Club. One meeting each year is devoted to slides obtained from the Garden Club of Illinois plus slides taken by its own members which are of special interest to the club.

In order to establish a reference library, the books and librarian chairman purchases a book each year which covers some phase of gardening. These books may be used by members at any time. Mrs. Thomas Barbeauld has been chairman for the past two years.

For the fourth consecutive year, the club has presented a conservation workshop scholarship to a high school student living in the area. Recipients have been Jeffrey Schulz of Creekwood in 1959; Bonnie Saunders of Spring Creek Woods in 1960; Suzie LaTocha of Creekwood in 1961 and this year's candidate, Linda Lee Hartz of Spring Creek Woods. Each has been an honor student at LTHS and has had an active interest in conservation. Each student makes a report to the club on the conservation workshop attended.

The club has also sent a representative to the annual conservation conference in Allerton Park,

Garden and Home Improvement Section

Monticello, Ill. Mrs. Arthur Peterson reported on the conference program to the club. She also presented a program on local birds.

Identification of wild flowers, native trees and shrubs and proper conservation practices are stressed throughout the year.

At the last meeting Mrs. Earl Spencer, first vice president and program chairman, gave each member the new year book for 1962-63. The blue cover features tiny pink flowers arranged to form the "C" in Creekwood. Programs include a flower arranging workshop, a tour to the Hill Nurseries, a lesson in hat design, the potting of bulbs for spring forcing, plans and workshops for the fall bazaar, a Christmas party, an auction, a program on Easter arrangements and a final program devoted to junior activities.

There are 24 members. Mrs. Donald Harpham is serving a second term as president. Other officers include Mesdames Earl Spencer, John Hogan, Arthur Peterson, Richard Wyngarden and Chris Nielsen. Meetings are held the second Wednesday of each month at 8 p.m. in the members' homes.

Mrs. Erich Fritz, the club's first president, has been voted an honorary lifetime membership. Other past presidents are Mrs. Joseph Mullen, Mrs. James Durchanek and Mrs. Robert LaTour.

Home Garden Club Of Palos Heights Has Busy Program

The Home Garden Club of Palos Heights was organized in May, 1953 by a group of plain dirt gardeners and has met regularly since then in the homes and gardens of its members on the third Thursday of each month. Its purpose is to generally promote good home gardening and to impart garden information to its members and friends as well as to assist the community and to bring some sunshine into the lives of those less fortunate than ourselves.

The officers for the 1961-1962 season are, president, Mrs. Harry Clayton; vice - president, Mrs. Charles Foley; secretary - treasurer, Mrs. Erwin Richards.

The committee chairmen are: workshop, Miss Mae Mardorf and Mrs. Harry Maes; tours, Mrs. Martin Schumacker; question box, Mrs. G. Willis Stanton; this month in the garden, Mrs. Joseph Leonardo; Mrs. Fred Baier and projector, Mrs. Walter Johnson.

Each year the group plans programs to have a variety of subjects and also plans special workshop projects so that each member will have first hand experiences

to discuss and watch the growing progress of a mutual subject. These projects have included: forcing bulbs, seed flats, Terrariums, drying plants, cacti, etc.

Whenever its possible, the club tries to assist in a beautification project. A few years ago, it executed the landscaping around the fire house with evergreens and flowers. Members prepared the soil, planted and cared for the area during the growing season. This building has recently been remodeled and is now the city Library. This year the group will once more work around it by installing window boxes and planting them. This project will be done with the help of the Palos Heights Garden Club. Plans this year also include helping patients garden at Tinley State Hospital.

The club roster includes, besides those already mentioned, the following:

Mrs. Helen S. Andre, Mrs. Harry Giegler, Mrs. Charles McBurney, Sr., Mrs. Charles Miles, Mrs. Ray Grunwald, Mrs. Claude Paluski, Mrs. Clay Riley, Mrs. Joseph Ryba and Mrs. Alfred Stendel.

Bonnie Brae Garden Club Now In Its Third Year

The Bonnie Brae Garden Club began its third year in May with 10 active members. It was organized by residents who found that new homes brought a need for lawn and gardening education. Soil conditioning, lawn and basic garden care were studied the first year.

The past year the club was a member of the Will County Federation of Garden Clubs, submitted entries in one show and attended many. Club members were guests of Lockport Flower Growers, Joliet Floral and Garden Club, and the Hampton Park Garden Club. Members attended the Chicago

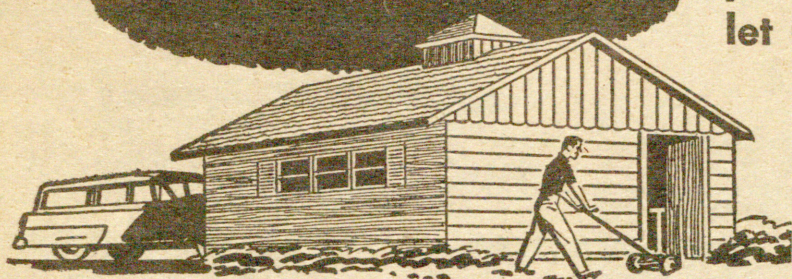

World Flower Show at McCormick Place.

Plans for the future include participation in forthcoming shows, service to Bonnie Brae Park and a new project sponsorship of a local Brownie Scout Troop.

Membership in the club is open to residents of Bonnie Brae. Information can be obtained by calling TE 8-7094 or TE 8-7482.

Officers for the year beginning April 1962 are Mrs. John Mundy, president; Mrs. William Pollard, vice president; Mrs. James Sandretto, treasurer and Mrs. Donald Kearns, secretary.

Palos Heights Garden Club Is 6 Years Old

The Palos Heights Garden Club is now six years old. Meetings are held once a month, each time in the home of a different member. The purpose of the club is to stimulate the knowledge and love of gardening and to share the beauty with others and aid in the preservation of native plants, trees, birds, and beauty of the Palos Heights area.

An iris garden walk has been planned for June 7 at the home of Mrs. E. Johnson in Chicago. A prominent member, Mrs. Vernon Peterson, Middletree Rd., Sugar Creek Woods, Joliet, recently took a tour through the conservatory at Pilcher Park. She also has a home in Palos Heights.

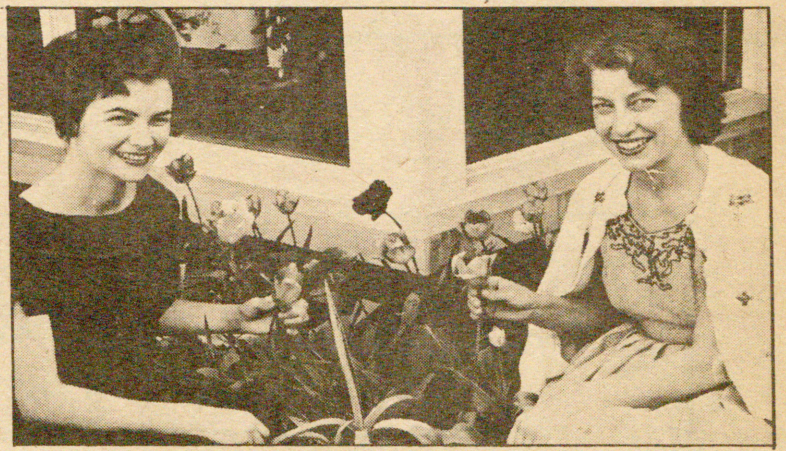

Officers of the Palos Heights Garden Club are Mrs. Maurice Brown, president; Mrs. Arthur Metz, vice president; Mrs. Eric Gronbach, secretary-treasurer; Mrs. George Moe, philanthropy chairman; Mrs. Lee Hodson, tours chairman and Mrs. Ray Vitkus, publicity.

Thunder and lightning won't cause milk to sour, but high temperatures will. So keep milk in the refrigerator.

GARDEN CLUB OFFICERS ELECTED--Bonnie Brae Garden Club held an election of officers recently. Back row (l to r) are Mrs. Donald Barnett, horticulture secretary; Mrs. Donald Kearns, secretary and Mrs. James Sandretto, treasurer. Front row (l to r) are Mrs. William Pollard, vice president and Mrs. John Mundy, president.

Rose Care Includes Pruning

Here are some pointers on trimming and cutting roses from a University of Illinois floriculturist.

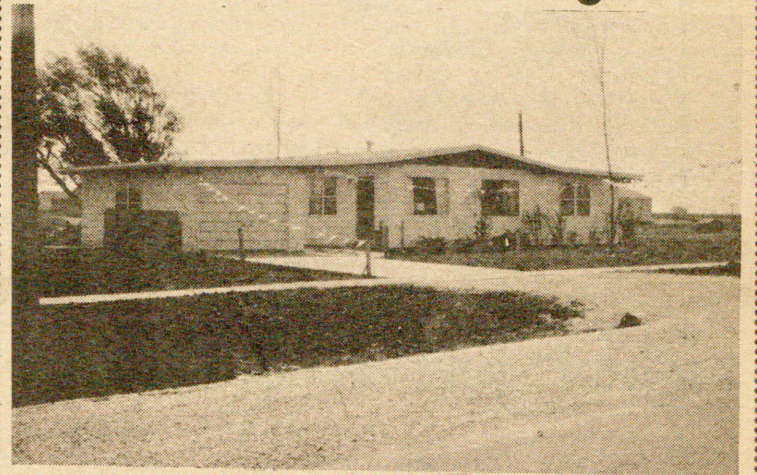

F. F. Weinard says that it's wise to pull off any suckers which appear to come from the roots, below the point of grafting or budding. These shoots may crowd out or replace the more desirable shoots.

Ramblers and small flowered climbers may be pruned in August. Cut out branches that have flowered and train up the young branches that will flower next

year.

To obtain the best cutting roses, remove the side buds when small. Cut flowers in fairly tight bud, early in the morning, above the second five-leaflet. Plunge the cut flowers immediately into cold water in a cool room and leave them for two or three hours to harden. This helps improve their keeping quality. Flower preservatives improve the life of cut roses and help keep the natural color of red roses.
